Come and say hello to the staff at the Swan Farm Machinery display at the Coonalpyn Show this Saturday 20<sup>th</sup> October 2012 and support your local community.

## JUST ARRIVED – T8.300 DEMO TRACTOR

We have recently taken delivery of a T8.300 which is available for on farm demo use. With an impressive list of features including:

- Teir 4 emmissionised engine, including AdBlue technology
- 260 rated hp
- Front Suspension
- 50km/hr transmission
- Intergrated Steering

If you are in the market for a new tractor, this is one you shouldn't go past. It will be on display at this weekend's Coonalpyn Show, or you can pop into the dealership and have a look or alternatively contact Bevan or Geoff for more information.

## NEED A NEW HEADER OR BALER FOR THIS YEARS HAY AND HARVEST?

Its not too late to get your hands on a quality used machine to take the crop off this year. Talk to Bevan or Geoff about the range of machines we have in stock ready to go, or pop over to

## PRESEASON SERVICING

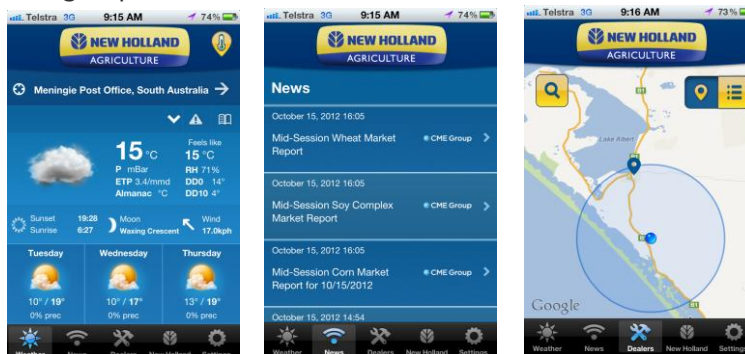

Have you pulled your harvest machinery out of the shed yet?

If you haven't, now is the time. Inspect your machinery to ensure that vital parts are in stock or ordered to prevent costly breakdowns during the peak of the season.

Talk to Andrew about our range of quality genuine New Holland parts, Filters and Ambra oils for all your preseason servicing, or call Owen to book in a service by one of our trained technicians.

## NEW HOLLAND WEATHER APP FOR IPHONES

For all of you iPhone users, New Holland has just introduced a new app to allow access to local weather, news and to find your closest dealer all at your fingertips.

To download simply head to the iTunes app store and search 'New Holland Weather', or click
